## FUNDRAISING CAMPAIGN

The EdUCate! **Dollar A Day** fundraising campaign is an annual event and the largest fundraising effort for EdUCate!. Excellent education is something that we expect in our community.

However, we can no longer count on public funding to provide the level of support that excellent schools require. Now, more than ever, it is essential for parents and the community to come together in support of our public schools.

A **Dollar A Day** is what we ask you to consider contributing to support excellence in the University City public schools. A **Dollar A Day** – a small sum with tremendous potential.

A dollar a day from each family would put over a half of a million dollars into University City classrooms this year!

Our goal is to have 100% participation by our school community.

Each student is important and every contribution is significant.

Our commitment is that 100% of the funds contributed to this campaign will go to the classrooms in University City schools.
