uc-educate.org

EDUCATE! is a nonprofit foundation established in 1993 with the mission of improving the quality of our children's education by providing supplemental resources to our five University City public schools. During the past 25 years we have granted over \$1,800,000 to these schools in the areas of literacy, math, science, technology and the arts. Funds directly support principals, teachers and multi-school programs such as the EdUCate! Math Academy and Jr. Achievement BizTown.
